

Discovery Community Church – Small Group Discussion Guide

The One Thing – 3/10/24

Luke 13:20-21

INTRODUCTION

- Are there any frequent bread bakers in the group? How is bread made? What is the importance of yeast in the process, how does it work?

DISCUSSION

Have a volunteer read Luke 13:20-21

- What does the imagery of leaven, or yeast, teach you about God's work in the world? In your life?
- What was the woman's responsibility in the process Jesus described? What can we expect to happen to her sixty pounds of flour?
- What is your responsibility in the spreading of the kingdom of God in the world? In your community? In your own life?
- What everyday object would you use to describe the kingdom of God's influence today? Explain. What evidence of the kingdom of God do you see in your life and in the world around you?
- What might prevent a person from seeing the kingdom of God permeating his or her life?
- What can you do to hold out hope when the kingdom of God seems small or indecipherable?
- As a group, how are we doing at allowing the kingdom of God to permeate us? How can we do better?

APPLICATION

- What can you do this week to engage with and enter into the work of the kingdom of God? Try to think of some specific actions you could take.
- How can your group help you and be praying for you?
